AN ENCIRCLING PRAYER

by The Carmina Cadelica, III

My Christ! My Christ!

My shield, my encircle,

Each day, each night, each light, each dark:

Be near me, uphold me, my treasure, my triumph,

In my lying, in my standing, in my watching, in my sleeping.

My Christ! My Christ! My shield, my encircle,

Each day, each night, each light, each dark.
