

Spring 2017 • College of Engineering

SENIOR CAPSTONE INNOVATION DAY

May 5, 2017

Lawlor Events Center

THE COLLEGE OF ENGINEERING is pleased to announce our fourth annual Senior Capstone Innovation Day, featuring student projects from across the College.

Senior capstone projects are innovative engineering products designed by undergraduate students during their senior year. Innovation Day will feature posters and demonstrations of about 80 student projects.

10:00 am to 12:00 pm open to area schools

1:00 pm to 3:00 pm free and open to the public
