

CAREER FAIR

WHEN

April 16, 2019
6 - 7:30 pm

WHERE

ACE HIGH SCHOOL

2800 Vassar Street, Reno 89502

Please join us for an evening of networking with future employees!

We are a tuition free public charter school. We offer four CTE programs; Building Trades, Computer Aided Drafting and Design, Diesel Mechanics, and Advanced Machining and Manufacturing. The majority of our students plan on entering the work force or military right out of high school, and we also have a small group who plan on attending college. Our senior class is around 50 students, and we encourage any of our interested juniors to attend as well.

RSVP: KJONAS@ACEHIGHSCHOOL.ORG

ACE STUDENTS

- are OSHA 10 Certified
- earn college credits and certificates while in high school
- are graded on employability skills
- participate in the state and National SkillsUSA competitions

PLEASE RSVP EARLY

This is a great opportunity to meet and interact with potential employees.
