

Province VI Small Church Network

For about two years Province VI has invited folks to come together to share about their life in small churches. The purpose is to build and strengthen relationships across this province. There are many things small churches have in common and they are each unique. Its an informal hour and topics come from the group. Currently we gather on the first Tuesday of each month at 7:30pm CT/6:30pm MT. People come when they can, the room is open for anyone who is available.

In September we are going to open an additional room on the second Wednesday at 1:30pm CT/12:30pm MT. The purpose will be the same for this gathering as it is for the evening gathering – to build and strengthen relationships. This is a daytime addition.

There are now two options for gathering and each has its reoccurring meeting ID. I will try to send a reminder prior to each gathering.

First Tuesday at 7:30pm CT/6:30pm MT
