Thank you for your interest in Cooperative Metropolitan Ministries International Interfaith Youth Music & Arts Festival, which will convene on Thursday, June 22, 2023, at First Church in Cambridge, Congregational UCC **#thenumbersmatter**

Domestic violence, gang, and gun violence are urgent, complex, and multifaceted community traumatic problems. Domestic violence against women has increased dramatically during the pandemic and beyond. In 2008, domestic violence was declared a public health emergency in Massachusetts and it has only gotten worse.

- Nearly 1 in 3 Massachusetts women has experienced rape, physical violence, and/or stalking by an intimate partner
- In a single day, 1,795 victims were served by Massachusetts domestic violence programs
- Between 2003 and 2012, 266 victims were murdered in intimate partner homicides, and 74 domestic violence homicide perpetrators were killed
- The presence of a gun in the home during a domestic violence incident increases the risk of homicide by at least 500%
- 72% of all murder-suicides involved an intimate partner; 94% of the victims of these crimes are female

Join with us as the youth in our city say "NO MORE VIOLENCE!"
