

MECHANIC FALLS CAMP SEASON REPORT — 2026

The Lord faithfully provided what we needed to offer our camps this summer. Although staffing was challenging at times, we were able to move forward, trusting in His provision. We enjoyed beautiful weather during camp meeting week. Pastor Josh Baker of North Carolina served as our speaker, ACGC Executive Director Justin Nash as our Bible teacher, and Joel Brown of Crossroads Church in Ossipee, New Hampshire, as our worship leader. Roger and Catherine Brown led the VBS program using Answers in Genesis' *Emerald Crossing* curriculum. We were especially glad to welcome Erwin Cabrizons of Agape House Ministries and his daughter, Rackey, who joined the VBS activities. On Friday evening, we showed *The Great Awakening* from Sight & Sound Ministries, which complemented our recognition of the United States' 250th anniversary and the Constitution. Attendees contributed beautiful, relevant decorations throughout the week. Activities included a cornhole tournament, swimming, an all-ages whiffle ball game, and our annual meeting for members and friends. We also honored Gail Scala-Moralsky, who retired after many years as our treasurer, with a plaque recognizing her ministry.

Planning meetings for the 2027 camp season are already underway. In recent years, we have welcomed additional supporting churches and hope to add more as the Lord leads. Alongside our traditional camps, Calvary Bible Church hosted its 20th CBC Family Camp over Labor Day weekend—an intergenerational gathering that builds relationships and gives families time for rest, renewal, and recreation. We look forward to what the Lord has in store for us next summer.
