

Washington Second Advent Christian Campmeeting Association
“Camp Washington” Annual Report
September 2026

We've had an incredible year at Camp Washington. This summer marked ten years since the devastating fire that destroyed many buildings, including our dining hall and one of our boarding houses. Directly after the fire, it was hard to see where we might be in the future, but God is faithful and we have seen so many great things happen at His hand and in His timing since the fire. The campground has hosted youth, family and women's retreats during the spring. This summer we've hosted Junior, Senior and Family camps, as well as a marriage retreat and teen retreat this fall.

The last several years has seen many building projects and this year was no different. We were able to complete a new shower house for our boy campers just in time for our youth camp season. This addition was much needed and greatly appreciated by the campers. Our Junior and Senior camps continue to see growth after Covid greatly affected our attendance.

Liam Adams, served his second year as youth camp director. Junior camp saw 90 campers and 20+ staffers joining together in worship and learning from God's word. Justin Perkins, youth pastor in Friendship returned as our Junior Camp Bible teacher with Josh Brooks, youth pastor in Waterville, with a team of musicians leading in worship for the week. Senior Camp saw nearly 50 teens joining us for the week. Josh Brooks led our Bible studies for the teens with Caleb Randall serving both teen and family camp as worship leader.

Our family camp week saw many families join us as Lou Going served as Evangelist, Larry Knowles as Bible teacher, and Sarah Heanssler and Tammy King served as VBS leaders. On average, our evening services saw 120 throughout the week. Many thanks to our great volunteers that ran the snack shack and for the delicious food from the kitchen led by President Darrell Young and his wife, Val.

We look forward to winter and spring events, including our winter rally in Friendship for youth campers, as well as various retreats.

Coming dates:

Opening Workday: May 1, 2027

Men's Retreat: May 21-22, 2027

Family/Teen Retreat: May 28-29, 2027
