This year alone, we will provide nearly
50,000 snacks or meals for food
insecure children in KSD.

Summers and breaks are
accounted for! We
continue providing KSD
NOW supplemental food
support during summer,
winter and spring breaks.

Many of our families
have incomes just above
the cutoff for free and
reduced meal support,
with 2 parents/adults in
the home and often one
or both adults working
full-time.

We accommodate a wide
variety of allergies and
dietary needs including
peanut, dairy, gluten-free,
and Halal.

Our Families Say Thank You...

"Making ends meet isn't
always easy. Knowing the
food boxes are coming every
month is a huge relief."

"KSD [NOW] helps me provide
my children with healthy snacks
and weekend lunches. They love
getting our boxes and cannot wait
to open them up!"
