

Support the Chambersburg Area School District (CASD) Autism Awareness Walk!

The 4th CASD Autism Walk will be held on Thursday April 13th from 9:30am-12:30pm. The Walk will be held at the Chambersburg Area Senior High School Edwin Sponseller Track and Field Complex. The goal for this event is to raise community awareness and support local students with autism and their families. All funds raised during the walk will directly support the CASD autism support classrooms as well as students with autism attending CASD. This year's funds will be utilized to provide adaptive PE, art and music therapy classes within the district, sensory materials needed within the CASD classrooms and the opportunity for CASD teachers to attend the National Autism Conference.

This event is a wonderful opportunity for your business to gain exposure while helping to raise autism awareness in our local community.
