

Winners From CASHS History Day Announced

The second annual National History Day competition took place at CASHS on Friday, January 14. The theme for this year's competition was Taking a Stand for History.

Students in grades 9 - 12 had to develop a topic that related to the theme and conduct primary and secondary source research. They then had to create a platform that showcased their research using one of the following methods: historical paper, documentary, exhibit, website, or performance.

The following local winners will progress to a regional competition which will be held at Messiah College on Saturday, March 4th.
