

## Zombie Run to Benefit CASHS Cupboard

A Zombie Run hosted by the Chambersburg Area Senior High School International Baccalaureate students will be held on Saturday, October 29 at 6 PM at Falling Spring Elementary School which is located at 1006 Falling Spring Road, Chambersburg. The cost is \$5 per participant. All proceeds from the event will benefit the CASHS Cupboard Food Pantry.

“A Zombie Run is an event where participants run through a course infested with volunteers dressed as zombies. Each participant will wear two flags around his/her waist and the goal is to make it to the end without letting the Zombies take your flags,” said CASHS senior Ian Mangan.

Those who make it the whole way through the course with a flag intact will receive a ribbon reward for “surviving”. Those who do not “survive” receive nothing, according to Mangan.

Signup for this even is done on line only. Interested participants can sign up at:

“We could use volunteers to be Zombies, makeup artists, as well as helpers for course setup and tear down. If you are interested in doing this, you should sign up at Remind 101, text k24426 to the number 810-10,” said Mangan.
