About RPRY:

Built on over 75 years of excellence and inspiration, RPRY has a rich history of educating and developing generations of committed community leaders. As the pioneer, leading Jewish Day School in Central New Jersey, our graduates are in high demand, and are often the among the highest performers at high schools throughout New Jersey and beyond. The US Department of Education 2013 National Blue Ribbon Award, our prestigious re-accreditation by the Middle States Association of Colleges and Schools, establishment of the "RPRY Think Tank" in 2017, our extensive STEM curriculum, and recently the inspirational implementation of RPRY@home and In Person Instruction, are just several of the many indicators of RPRY's continued academic innovation and excellence. Thank you for supporting our exceptional school.
