### When?

**Thursday, April 21, 2022**  
**8:00 - 9:00 a.m. CDT**

### Where?

**Virtual**

### Topic?

#### Work and Learn Indiana

Work and Learn Indiana is a FREE work-based learning matching marketplace connecting Indiana employers, anyone seeking a work-based learning experience, high schools, colleges and universities. We help Indiana employers and community partners develop and retain Hoosier talent through relevant work-and-learn experiences that drive a highly skilled and equitable workforce.

### Presenter?

#### Ashley Williams

Assistant Director, Employer Engagement

Ashley joined Work and Learn Indiana in August 2021. She obtained her master's degree in leadership development with a focus in organizational leadership from Saint Mary-of-the-Woods College. Additionally, she earned a bachelor's degree in communications from Ball State University and interned with Kelly Services. Ashley is responsible for developing employer relationships across the state to help build high-quality work-and-learn programs. Furthermore, she plans to strengthen talent pipelines and skill up our Hoosier workforce.
