

Battle of the Books

2019-2020

We want **YOU** to participate in this year's Battle of the Books!

Cost

Regular: \$30.00/student

Reduced: \$15.00/student

Free: \$3/student

How does it work?

Students in 3rd – 5th grade will receive a list of books to read for the “Battle”. Students are put onto teams, and they will coordinate reading the books on the list. Each member must read a minimum of 5 books off the list of 12. Individuals who want to increase their team's chances of winning will read more books. Teams who win Round 1 will go on to Round 2 and will be given another set of 12 books. The winning team of Round 2 will go on to the final round in May. This final group will also meet with Ms. Preisler leading up to the final competition. Books may be checked out from Ms. Preisler in Room 126. Please also feel free to check out the books from your local library!

Everyone on a team matters, and it is important that everyone does their part. If you and your child feel that this is a good choice, please sign up on Schoolpay by September 26th as well as sign and return the form to Ms. Preisler.

Go Lions!
