# Your Photos are Ready!

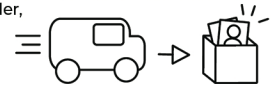

1. You should have received an email from us about your student's picture day gallery. Login to your gallery through your View First link in the email.

2. Choose your yearbook photo first! You can click **Choose Yearbook**, and select which photo you'd like in the yearbook. Click **Confirm.** (You can also choose an image after retake day if you have retakes.)

3. Then pick one, two, or all of the images you want! You can order either one of our packages, any image a la carte, or digital downloads of your student. Pick from numerous poses and background options, and you can even create a custom crop on your images for a personalized look.

## Delivery

Once your order is placed, they will be directly delivered to your home within 5-7 days. If you experience any issues with your order, please contact us!
