

HOW A COMMISSION ADVANCE CAN HELP YOUR BUSINESS

Commission Express helps smooth out inconsistent cash flow faced by realtors by offering the advance payment of commissions from pending sales. Here's why a commission advance might be the right financial tool for your business.

- As an **Independent Contractor** your earned but unsettled commissions are **receivables, income you are waiting to collect**. Like other businesses you want to convert receivables to cash to operate and promote your business today resulting in more income tomorrow
- **100% online application** that only takes minutes
- **No credit check required**
- All you need to take an advance is a **ratified contract**
- **Competitive and easy to understand pricing** with a free **30-day grace period** automatically built in to help with any delays prior to closing
 - o Commission Express pays you an advance of **up to 80%** of your share of the commission immediately
 - o We reserve a **Holdback** that we pay you when the receivable is redeemed and **your cost** is based on the number of days to settlement startling **as low as 6%**

Don't delay your pay day any longer, apply today at www.cenorth.com or call 617.795.2232.
