

*The Glenn Burnett Scholarship was established in the early 80's.
Since 1986, over \$111,000 has been awarded to GPCA member's children
to support their attendance to a college or university.*

*Named after Glenn Burnett who dedicated more than 20 years of service to the association,
the scholarship program has continued to grow in participation and funding through the years.
Funded from the interest on invested funds and a portion of the proceeds from the annual charity
golf tournament, the program is well established and an integral part of GPCA member services.*

Each year the Georgia Pest Control Association awards one or more scholarships to students whose parent or legal guardian is actively engaged in the pest control industry. These funds can be used to further the recipients' education at the Georgia college or university of choice. Review the following information carefully to determine qualifications, then complete the application on the next page.

Application must include the following:

- 1 Completed application.
- 2 Letter of recommendation from licensed PCO or allied member of GPCA member firm.
- 3 Copy of most recent official school transcript.
- 4 Letter of school acceptance if entering freshman or changing schools.
