

Give your customers a PREMIUM DIGITAL NEWS EXPERIENCE

Your customers can now have seamless digital access to world class journalism across market leading newspapers like The Australian, The Daily Telegraph, Herald Sun and more.

Access is easy with only 2 simple steps:

1. Customers need to connect to your venue's WiFi on their device.
2. They can then visit a participating news site of their choice.

**Unlimited access
from just \$10 per day!**

Benefits of the package include:

- Unlimited access to premium content for visitors and guests via your WiFi
- Bypass the paywall with no privacy issues or personal information - No logins, passwords or email
- Contactless delivery via the users own device (laptop, iPhone, PC or tablet)
- Access to digital print editions from each days printed newspaper
- Simple, easy set up with no disruptions to operations on site
- Always on solution that contributes to sustainability and waste goals
- Multi-site discounts

"The guest experience is enhanced by the premium unlimited digital news offering accessed via the hotels guest WiFi on any device. It's an affordable solution that's simple and easy to set up. I'd recommend adding the premium service to any accommodation provider looking to foster greater satisfaction and add significant value to their guest's experience."
