

International Hotel Services (IHS) is a subsidiary of the Bayton Group (founded in 1965). Since our inception, we have deployed numerous innovations and rolled out many projects, all of which align with and support our client's mission, values and sustainability initiatives.

Recent IHS Corporate Social Responsibility initiatives that have assisted our clients in achieving their goals include:

Ecovadis Gold Medal Member

IHS received a GOLD medal in the 2023 Ecovadis Sustainability ratings. IHS scored in the 94th percentile over four categories: Environment, Labour & Human Rights, Ethics, and Sustainable Procurement.

Achieving a Gold medal in the Ecovadis Sustainability ratings showcases IHS' commitment to comprehensive sustainability policies, ethical practices, and responsible procurement, enhancing IHS and its clients' credibility, reputation, and sustainability efforts.

Emissions Measurement and Reporting

IHS has implemented a carbon accounting system that conforms to ISO14064-3:2019 and the WBCSD/WRI Greenhouse Gas Protocol Corporate Accounting & Reporting Standard. A Carbon GHG Emissions statement is created for each IHS serviced site.

This reporting system captures and measures all Scope 1, 2, and 3 emissions on a site and portfolio basis. It uses real activity data and outputs rather than generic purchasing data.

IHS emissions data is integrated into Oracle Analytics Cloud so that data can be analysed, dashboarded, and predictive analytics applied to enable a proactive approach to actioning key insights.

Reconciliation Action Plan - RAP

IHS commenced its reconciliation journey in 2018 with our very first endorsed Reconciliation Action Plan. Six years later, IHS is on our third RAP – an endorsed innovative RAP.

With this RAP, we can and have explored, developed, and fine-tuned reconciliation strategies throughout IHS operations in the three core areas of respect, relationships, and opportunities.

IHS' Reconciliation Action Plan (RAP) initiatives promote cultural respect and inclusion, demonstrate a long-term commitment to reconciliation, and offer innovative, effective strategies to help clients enhance their diversity and inclusion efforts.
