

IHS and Hotel Public Areas

International Hotel Services (IHS), a subsidiary of the Bayton Group established in 1965, takes pride in delivering sustainable and comprehensive housekeeping and related services. Among the diverse capabilities offered by IHS is cleaning public areas in hotels, accommodations, and educational institutions.

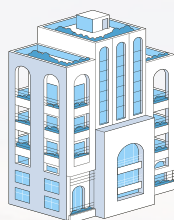

Collaborating closely with our parent company, Bayton, IHS harnesses Bayton's extensive resources and vast experience as a national provider of cleaning and associated services. Bayton, recognized for its ISO Certified Governance and Compliance cleaning and quality systems, excels in managing various sectors, including Aged and Health Care, Commercial, Industrial, and Retail.

The Bayton Group's capabilities and services encompass a wide range, including:

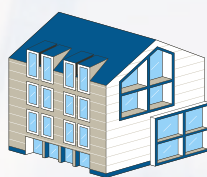

- ✓ public areas cleaning and maintenance
- ✓ carpet cleaning
- ✓ upholstery steam cleaning
- ✓ hard floor maintenance
- ✓ emergency cleans
- ✓ external building cleaning
- ✓ window cleans
- ✓ graffiti removal
- ✓ grounds maintenance
- ✓ hygiene services
- ✓ infection control and prevention
- ✓ waste management
- ✓ linen management
- ✓ stewarding

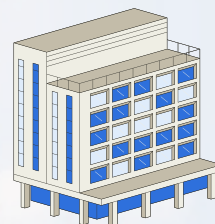

Having established partnerships with renowned hotel brands worldwide, IHS is adaptable and flexible when awarded a public areas contract to work with any existing housekeeping supplier. Recognizing the industry's dynamic nature, we understand the importance of adaptability to meet evolving needs.
