**The 13cabs app
now with a price
guarantee.**

Did you know that the 13cabs app now comes with a price guarantee?

If you're heading out this weekend, make sure you download the 13cabs app.

You can't control rideshare prices suddenly surging at the exact moment you need to go somewhere.

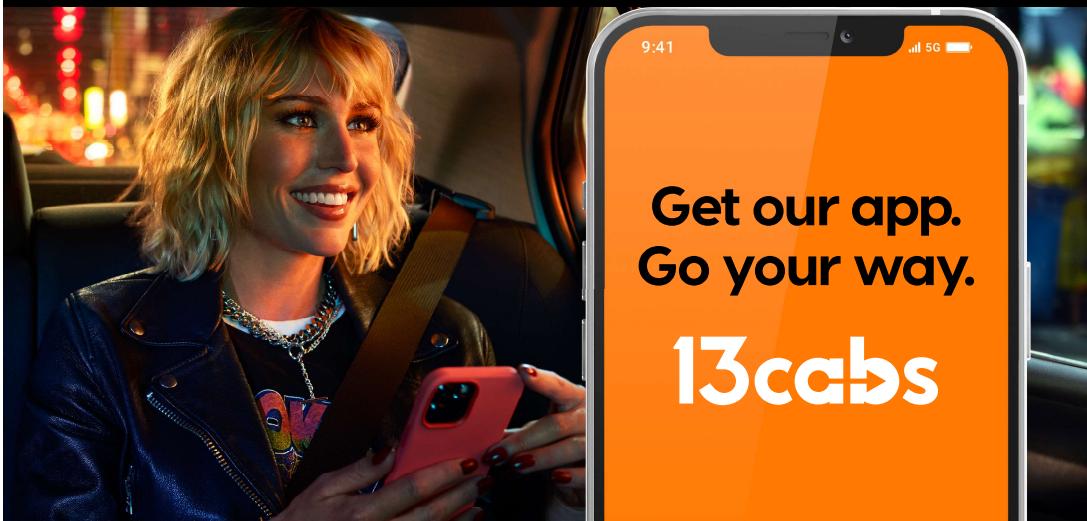

But if you've got the 13cabs app, you have total control of how much you pay for your ride – anytime, anywhere.

Because the 13cabs app now comes with a price guarantee.

The price you're quoted when you book, is the price you'll pay.

And there's no surge. Ever.

Plus you get to choose your type of car...or even request your favourite Driver.

Put yourself in **total control** with 13cabs.
