

Autumn
2020

Greetings from the CO Rockies

LISA VAN DAMME

Highlights from the last few months...

So how has 2020 been for you? For me, it has felt slow & fast at the same time?! Following are some bits from my summer...

*SWIFT Team

(Spiritual Warfare Intercession for Transformation)

Our Team has continued meeting through the summer. Amidst all the unknowns, it has been encouraging to meet & look to God together to see His hand upon our world.

*AHOD

(All Hands on Deck)

During the summer months, us staff are required to help around our campus one day a week. We do various things, like weeding, transplanting, cleaning guests rooms, redoing offices, etc. It's a good way to know people from other departments, as well as maintaining our campus.

*UofN

(University of the Nations)

We are a missionary training center, hosting various courses throughout the year. Although we cancelled our Spring classes, we will be have four different ones this Fall.

Appreciate your prayers:

*for Holy Spirit to have His way in each life

*for the safety of our students & all of us staff, during this season especially.

*Summer Gratitude...

I do not take it for granted the blessings I've had this summer of being able to go for walks, camping, etc. I was also blessed to join a ladies Bible study / prayer group via ZOOM.

*Perspective...

A couple verses I've been meditating on (both in the TPT):

"Teach me more about You, how You work & how You move, so that I can walk onward in Your truth until everything within me brings honor to Your name."

(Psalms 86:11 & 94:19)

"Whenever my busy thoughts were out of control, the soothing comfort of Your presence calmed me down and overwhelmed me with delight."

*More Perspective...

The following is from my co-workers in Myanmar, written by the wife, E, while they are still in North America, waiting to be able to return to Myanmar.

Quoted with E's permission:

"In this tension and uncertainty I will share some of what the Lord has used to ground us and stabilize us and bring us peace. There is a catechism that we do with the kids, and the first question and answer is:

'What is our hope in life and death? That we are not our own but belong to God.'

When I, (E) start getting myself all worked up with endless possibilities, this calms me down and brings me once again to the point of trust and surrender,

'Come what may, Lord, my life is not my own, I belong to You, use me wherever and however You please.'"

*What's Next?

I am continuing with the SWIFT Team, however, I will travel to the **Midwest** in October, to visit family, friends & attend a family wedding.

And hopefully...

Thanksgiving in **Texas**
Christmas in **Arizona**

Appreciate your prayers!
