## PRESS RELEASE

### Hiking Under the Hunter's Moon

The Kettle Moraine Land Trust and Walworth County Parks Department is pleased to announce our upcoming hike: Hiking Under the Hunter's Moon.

As the sun sets and the moon rises, open your senses to the sights and sounds of nature under cover of darkness. The hike will be guided by a seasoned naturalist. Use of flashlights is discouraged while hiking on the trail.

The hike will be led by Naturalist Greg Rajskey of the Kettle Moraine Land Trust. Kettle Moraine Land Trust's educational programming is supported in part through a grant from the Gaylord and Dorothy Donnelley Foundation.

Due to the popularity of this FREE event, space is limited. Please RSVP by October 10, 2019. Email [info@kmlandtrust.org](mailto:info@kmlandtrust.org) with the names of all members of your party (maximum of 4). Children under the age of 16 must be accompanied by a responsible adult.
