-Award Winning Brass Chamber Music from Groundbreaking Quintet- Axiom Brass – Young Auditorium - Tuesday, February 11 at 7:30PM

Whitewater, Wis – Internationally recognized for their groundbreaking programming, Axiom Brass brings its unique blend of brass chamber music, Latin rhythms, and visual art to Young Auditorium on Tuesday, February 11th at 7:30p.m.

Praised for their “high level of musicality and technical ability” and for their “clean, clear and precise sound,” the award-winning Axiom Brass Quintet has quickly established itself as “one of the major art music groups in brass chamber music.” As the only Brass Quintet in 27 years to ever win the prestigious Chamber Music Yellow Springs Competition, and the only American ensemble to ever win the Preis der Europa-Stadt Passau in Germany, Axiom has also been named winners of the 2008 International Chamber Brass Competition and prize-winners of the 2016 M-Prize, 2010 Fischhoff Chamber Music Competition, the Plowman Chamber Music Competition, and the Jeju City International Brass Quintet Competition in South Korea. Axiom Brass is dedicated to enhancing the musical life of communities across the globe and educating the next generation of musicians.

A portion of the evening’s performance will consist of one of Axiom’s signature pieces titled LIMITLESS. LIMITLESS is a “wonderfully innovative and inspiring” live multimedia concert experience exploring the connection between human existence and the furthest reaches of the cosmos. With original compositions and transcriptions paired with stunning visuals and reactive sound-to-video effects, Limitless is an engaging, immersive show that ventures beyond the traditional boundaries of the concert hall.
