How to Assist a Family in Need for Food and Gifts at Thanksgiving or Christmas

For the past many, many years, HOPE NOW of Elkhorn and the Elkhorn School District have coordinated food and gift assistance for families in need during the Holidays. The compassion and generosity of so many donors answered that call for assistance. This year we find ourselves in a different world which requires us to rethink our usual procedure for assistance offered so kindly by our donors. In order to limit exposure of our donors, volunteers and families to households outside their own, we will be requesting donations of food cards and store gift cards. While we know gift cards are not as fun or engaging as preparing a food box or purchasing and wrapping gifts for a particular child or family, we feel this is our best alternative in these times. We certainly look forward to a return to “the world we knew” to celebrate the Holidays in 2021.

HOPE NOW kindly requests the donation of grocery gift cards and store gift cards (ex. PigglyWiggly, Aldi, WalMart, Target, Kohl’s). Gift cards will be distributed to families in need based on family size.

If you, your family, your community club/ organization or work department would like to support a family or child, we can give you basic info about a specific family and you will know your gift cards and Holiday greeting will go to that particular family.

Thank you so much for your continued support of the HOPE for the Holidays program.

Grocery gift cards for Thanksgiving distribution are due Nov. 13.

Grocery and store gift cards for Christmas distribution are due Dec. 10.
