

# GLOW STATIONS!

# IF YOU BUILD IT...THEY WILL DRIVE-THRU!

Imagine seeing your business come to life in lights, you can display it in front of your business following Let It Glow! Do you build houses? Have Santa's elves building a house in the North Pole with your company name hanging above the door. Do you sell vehicles? Showcase a family putting a tree into the back of a new truck with your dealership name on the door. Golf course? Elves golf! Church? Think Peace on Earth. Jeweler? Five Golden Rings. The possibilities are endless!

Set up will begin Wednesday, December 1st at 8 am and must be completed by Dec 3rd at 3 pm unless otherwise arranged. There is no entry cost to build a Glow Station, but space is limited. All stations must remain in place for all Let It Glow event hours. Take down begins Monday, December 6th. No Santas please.
