

WE INVITE YOU

Join us for an inspiring evening dedicated to heart health as we celebrate the 37th Annual Benefit Event hosted by Aurora Lakeland Medical Center. Set along the beautiful shores of Geneva Lake, the night will include a cocktail reception, plated dinner, silent auction, and live music by the Big Al Wetzel Band featuring Al Wetzel and Jimbo, all to support heart care in our community.

We are honored to welcome cardiologist Stephen J. Welka, DO, who will share insights on the importance of heart health and its life-changing impact on our community.

THE BENEFIT EVENT

Saturday, October 25

6 - 10 p.m.

Cocktail casual attire | Self-parking

Lake Geneva Country Club
W3398 S Lake Shore Drive
Lake Geneva, WI 53147

To learn more about this impactful event, please visit advocatehealth.org/benefitevent or scan the QR code below.

Please respond by October 10.

BENEFICIARY

Proceeds from this event will help launch a new Cardiometabolic Clinic, bringing lifesaving programs to patients across Walworth and western Racine counties. This innovative clinic will help manage cardiovascular risks by addressing lifestyle factors, obesity, diabetes, hypertension and elevated cholesterol levels, aiming to reduce illness and prevent cardiovascular events.

For additional event details or sponsorship opportunities, please contact Tracy McHugh at tracy.mchugh@aah.org or 262-743-3442.
