# Exterior

It is more critical than ever to have clear and attention getting exterior signage. Whether for curbside pickup or communicating modified shopping hours for your most vulnerable customers, we can customize to fit your needs.

- 1 BANNER** - approx 80" x 24" x .125"  
Clearly mark curbside pickup
- 2 WINDOW CLING** - approx 24" x 36"  
Quick to install clings alert shoppers to modified hours of operation and senior shopping times
- 3 BOLLARD COVERS**  
Encourage pickup orders with these 3-sided coroplast signs
- 4 A-FRAME SANDWICH BOARD**  
White plastic displays are lightweight and versatile, easily changing from curbside pickup, hours of operation, and social distancing messages
- 5 LAWN SIGN** - approx 24" x 18"  
Inexpensive all-weather signs can be easily moved

# Entrance

Keep customers and employees safe and informed with messages that convey extra cleaning efforts, new store hours, or social distancing.

- 1 SIGN TOPPER** - approx 22" x 38"  
Quickly slips into standard sign stand
- 2 POSTER INSERT** - 22" x 28"  
Quickly slips into standard sign stand
- 3 FREE STANDING DISPLAY** - approx 22" x 72"  
Easy to set up and move to different areas of store.

# In-Aisle

It is critical to have signage and messaging that aids in social distancing and prevents bottlenecks in your aisles. Switching to one-way traffic and clearly marking product purchase limits can help keep staff and customers safe.

- 1 AISLE VIOLATORS** - approx 4" x 12"  
Remind customers of social distancing, services, and new traffic patterns
- 2 SHELF TALKER** - approx 15" x 4" (15" x 3" live area)  
Clearly mark products with a limited purchase quantity
- 3 FLOOR GRAPHICS** - approx 18" x 24"  
Encourage social distancing and smoother traffic flow by making aisles one way shoppable
