EVERYONE COUNTS

Point In Time Homeless Count – Wednesday, January 22 – Thursday, January 23, 2020

What is Point In Time?

A Point in Time Count (PIT) is a one-day snapshot of the homeless populations in our community that captures the number and characteristics of people who are experiencing homelessness.

Knowing the number of people who are homeless and understanding the trends can help our community better understand the scope of the issue, improve system efficiency, strategically plan for resources and promote effective intervention.

The PIT count takes place across the nation. Wisconsin conducts this count twice per year; once in January and once in July.

You Count! Be Heard!

If you are homeless, get counted!

Volunteers will be looking but may not see you… please stop in at one of our meet ups to make sure you get counted and get a FREE GIFT!

- Horticulture Hall (330 Broad St, Lake Geneva, WI 53147)   **FREE Soup will be provided**!
