WE ENERGIES GAS MAIN IMPROVEMENTS PROJECT
S WASHINGTON STREET AND ADJACENT PUBLIC PARKING LOT
BETWEEN E GENEVA ST & E WALWORTH ST

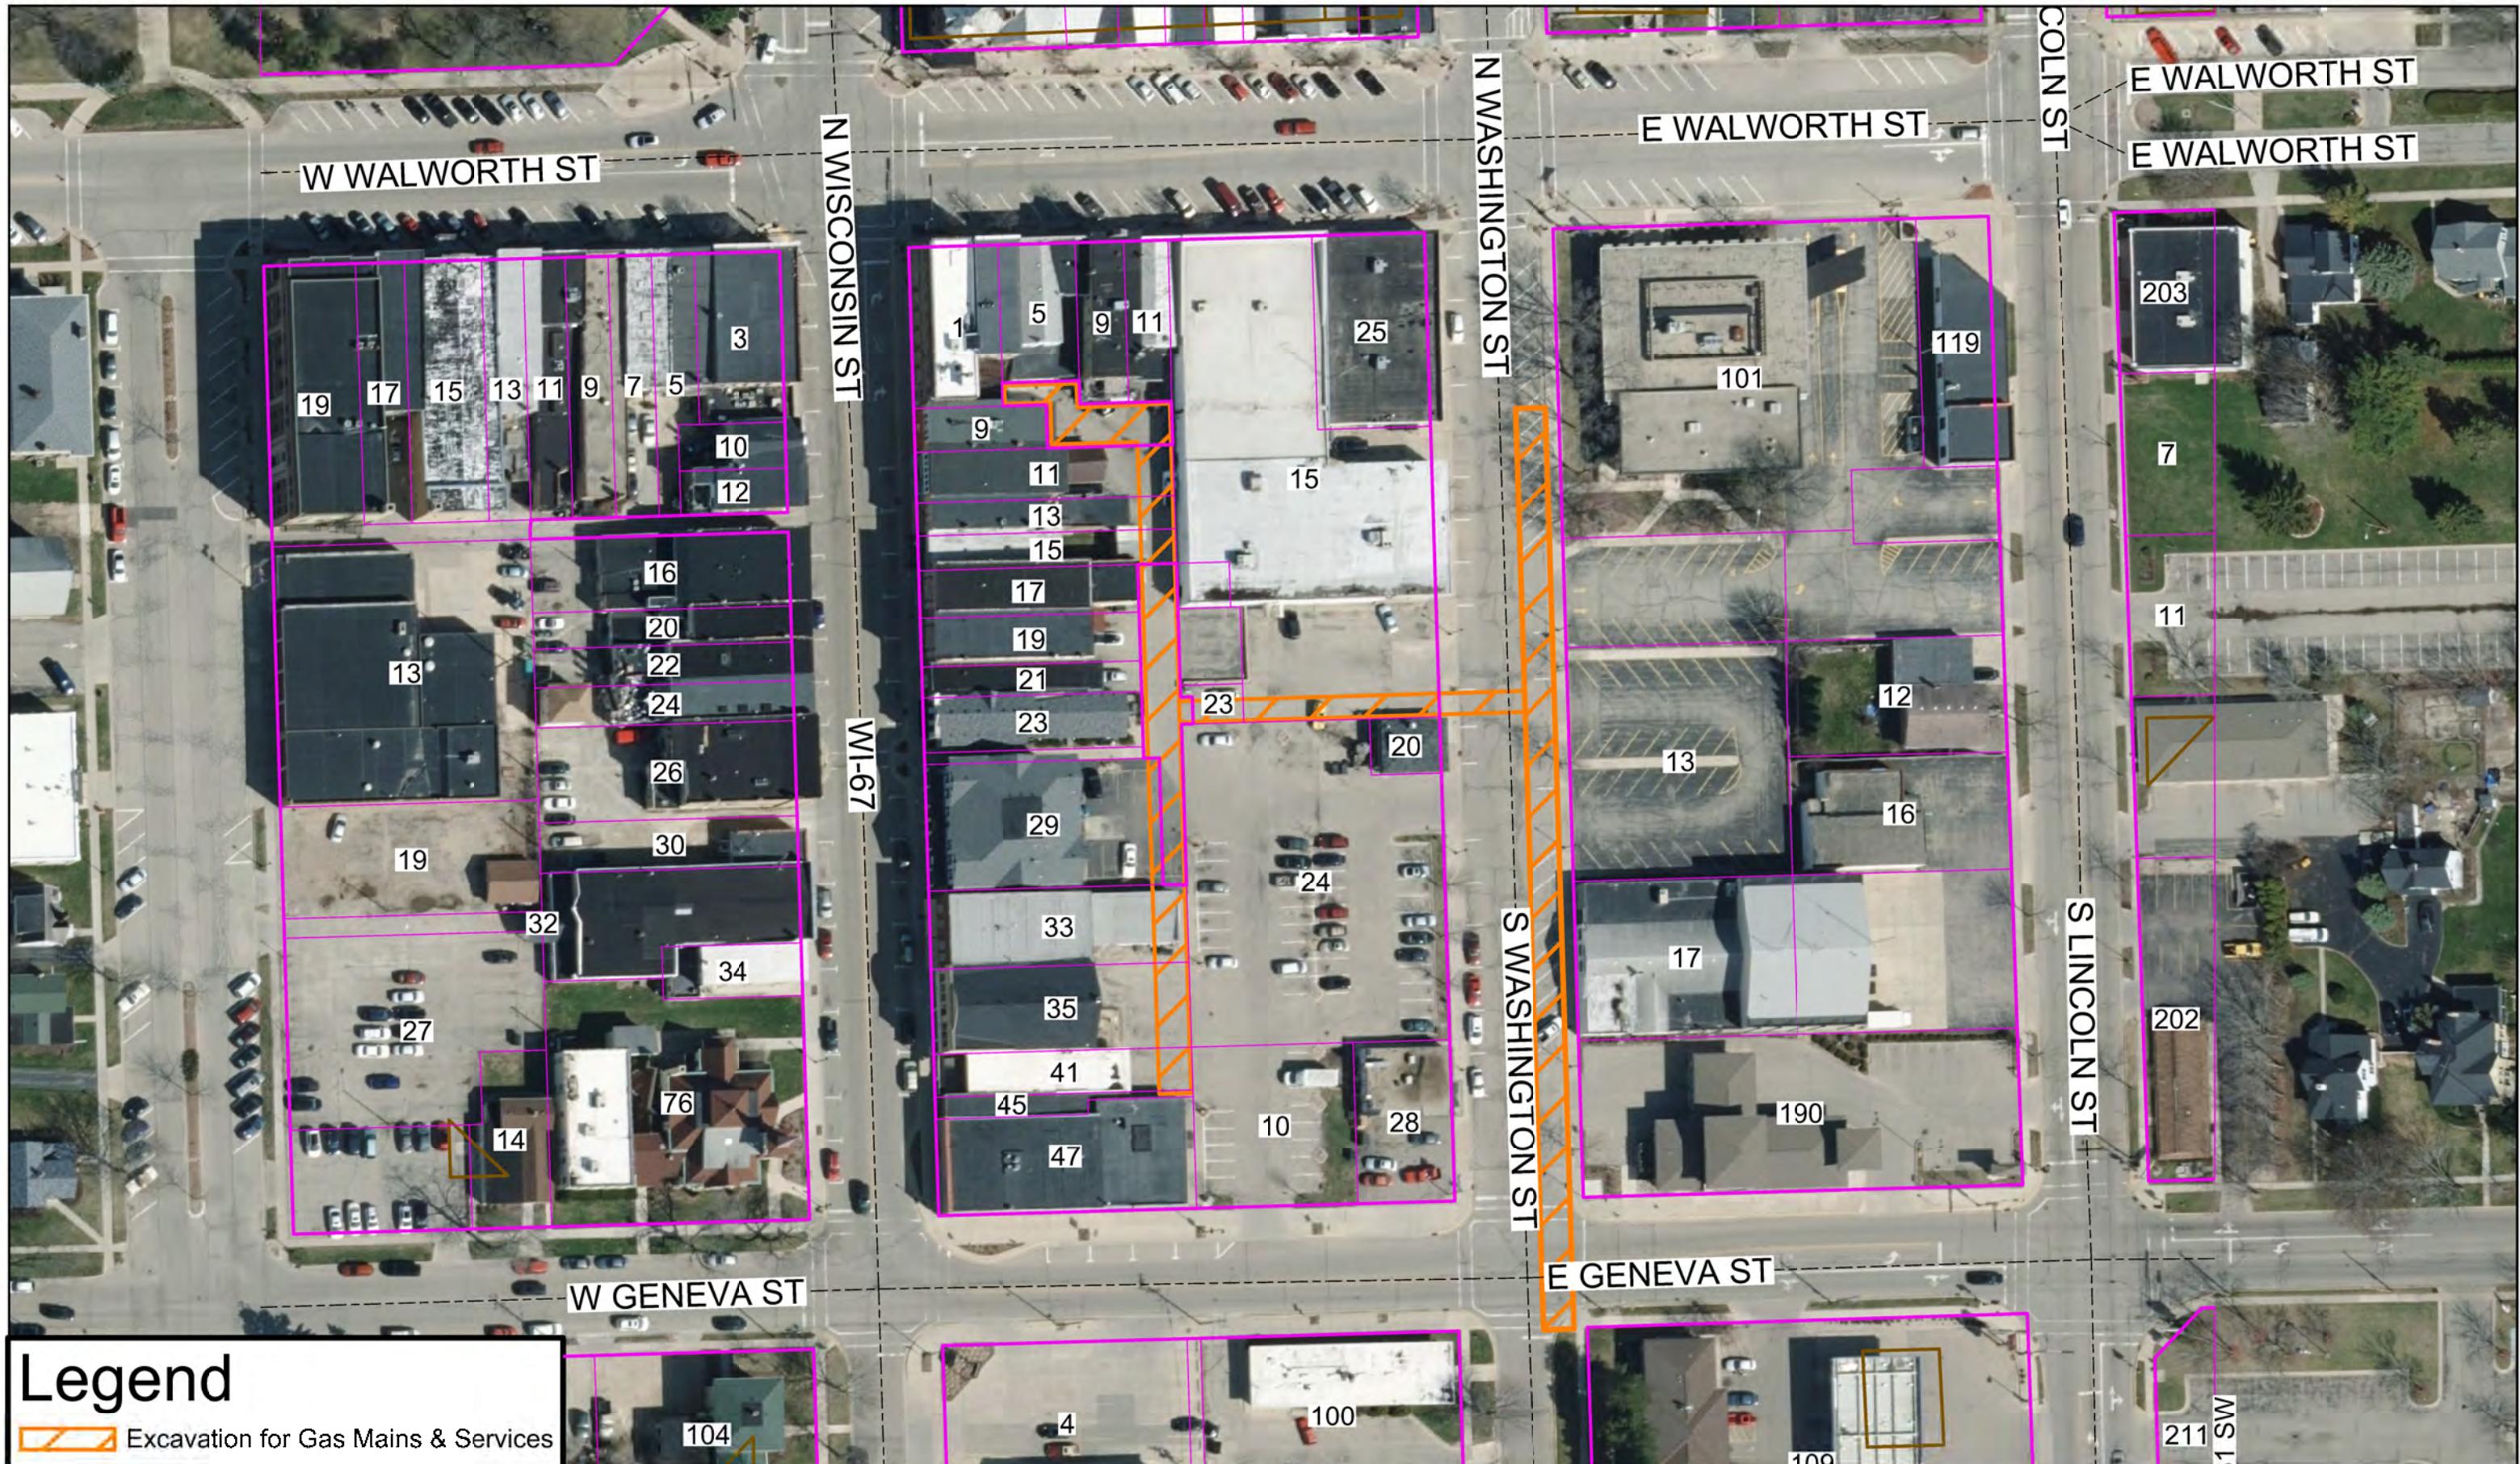

DATE: JANUARY 3, 2020

We Energies will be performing gas main improvements commencing in the upcoming weeks along S Washington Street and adjacent public parking lot between E Geneva Street and E Walworth Street. See attached exhibit illustrating gas main replacement work.

This release is intended to provide general project information for businesses in the vicinity of the work and contact information for those impacted. Those directly impacted will be contacted by Mr. Dave Austin of KS Energy Services, LLC in the near future, if not already, regarding schedule and details pertaining to parking and possible gas outages. If you require additional information or feel a follow up meeting is warranted we are more than willing to accommodate necessary arrangements. Please feel free to contact either Dave Austin or Matthew Lindstrom from City of Elkhorn Department of Public Works.
