

Department of Kansas Membership – December 2025

Trish Ward, Department Membership Chair

An Update on Kansas Membership

- Regretfully, Kansas missed the important membership milestone for November 10 where we were to achieve 60% of our membership goal. As of this writing, we are sitting at 4,043 (44.97%)
- It's time to FOCUS and get set for excellence to achieve the 85% benchmark. **We need 3,599 members in by March 15, 2026** ...so let's get to it! We can do it!
- Reach out to those who haven't renewed and gather up membership.
- Send the transmittals in immediately
- Plan to attend Mid-Winter Forum in Ft. Dodge Kansas. We'll all be there for fun, fellowship, and membership excellence. January 30, 2025 – February 1, 2025. Be sure to bring membership with you so we all can celebrate a great turn-in for our Department!

Kirby's December Tip

Please don't HOLD membership!

Even if you only have 1... send your membership in promptly. Kansas needs YOU to help us get more members and hit the important 85% benchmark by March 15, 2026.

Checklist

- Gift a membership to the American Legion Family to an eligible member. Be sure to make it festive, wrap it up and have fun!
- The 2025 Membership Year will conclude on December 31. Review those members who haven't renewed and reach out with kindness to encourage continued membership.
- Send a holiday card to all new members encouraging them to sign up other eligible family members.
- Ask your unit to do a fundraiser with a "Paid Up For Life" membership as the gift.
- Contact your ALA Girls State citizens from 2025 who are about to graduate. Ask them to help spread the good word about Girls State and if the citizens are eligible and haven't joined, gift them membership from the unit.
- Hold an "end of year" membership drive at a local business. Serve winter treats with smiles and holiday cheer.
