

Happy Halloween!!! Hope everyone keeps celebrating our America's 250th Birthday and have fun doing it!!!

Please let keep this going!!! District and Units please send me what you did or still doing celebrating America's 250, articles, photos and if you put things on Facebook can you please go back and edit using this hashtag #KSALA250History.

Kansas had a great time at National Convention!! Congratulations to our New National American Legion Auxiliary Officers, including our new National American Legion Historian Jane McKnight and again Congratulations to Kansas own Jeanne Haas as our National Chaplain!!!

We welcomed our New National American Legion Auxiliary President Dr. Coral May Grout to Kansas, first she had lunch at a Gourmet Doughnut shop, had some downtime, then had a great time at the American Legion Post #4 in Wichita.

Thank you, Connie Nichols, from Unit #258 in Little River. Here is what this Unit did for celebrating 250, they hung 2 250 year colorful swags at their Legion. They displayed Poppy arrangements in the front window of their Legion, along with placing 2 250 decorative flags in the Poppy arrangement.

During Memorial Day they placed 250 year decorative flags in the saddle wreath that were draped over the memorial Wall at the Beam Cemetery. They also have #258 members displaying 250 year swags, yard flags and garden flags at their homes, along with wearing 250 year apparel.

Here is some photos!! Amazing job Unit #258 keep up the amazing work!!!

Happy Halloween and Be safe!!

Hope to see some of you at District Homecoming's and Eisenhower Pilgrimage!!
