As we travel through Advent season and work our way to Christmas morning, we give thought to helping others. There are many ways we can help. We can donate money, time, and/or talents. Giving benefits both the giver and receiver. As the giver it can boost your happiness level and the receiver receives essentials. You have many choices on how to give. As an Auxiliary member, you give all year long. This holiday season I would like to thank all our members for all the money, time and/or talents they give throughout the year.

"So encourage each other and build each other up, just as you are already doing."
(1 Thessalonians 5:11)

Dear God,
Help me to remember that others are needed, wanted and appreciated. Give me the words to encourage and build members up whenever I can.
In your name I pray. Amen
