

September 15, 2025

Hello,

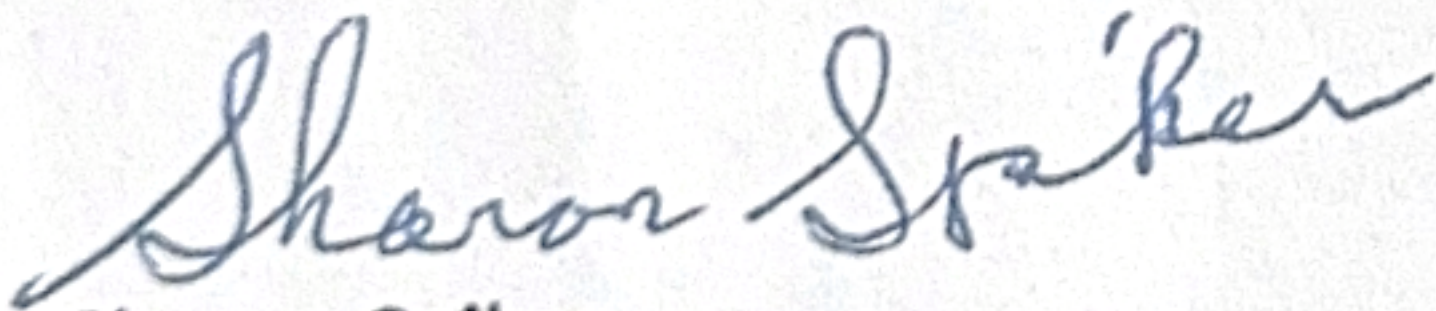

My name is Sharon Spiker, and I would like to continue being your National Executive Committee Person.

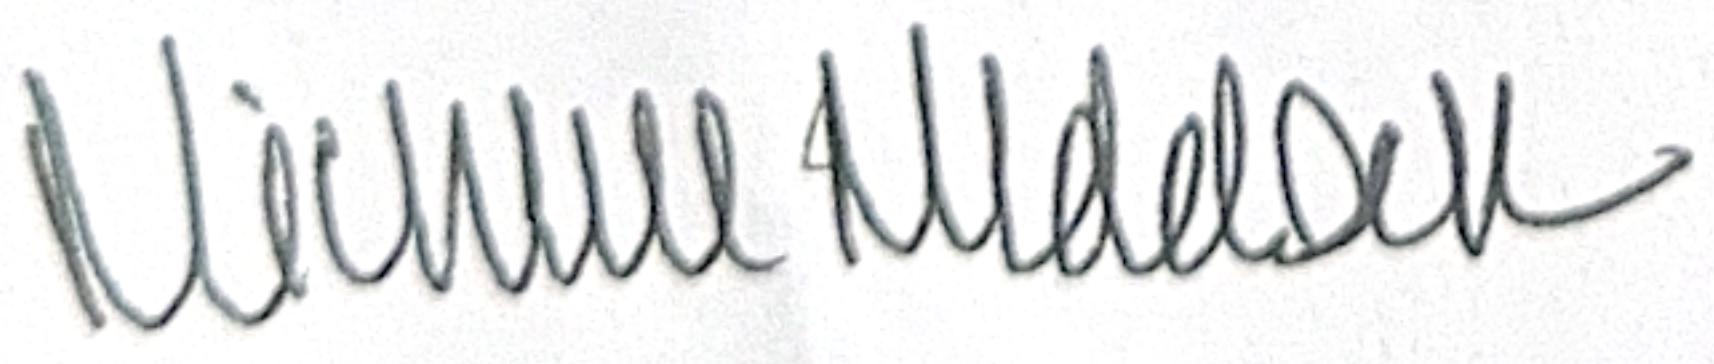

I was given my eligibility from my father's, Past Department Commander Robert "Bob" Swanson, service during the Korean War era.

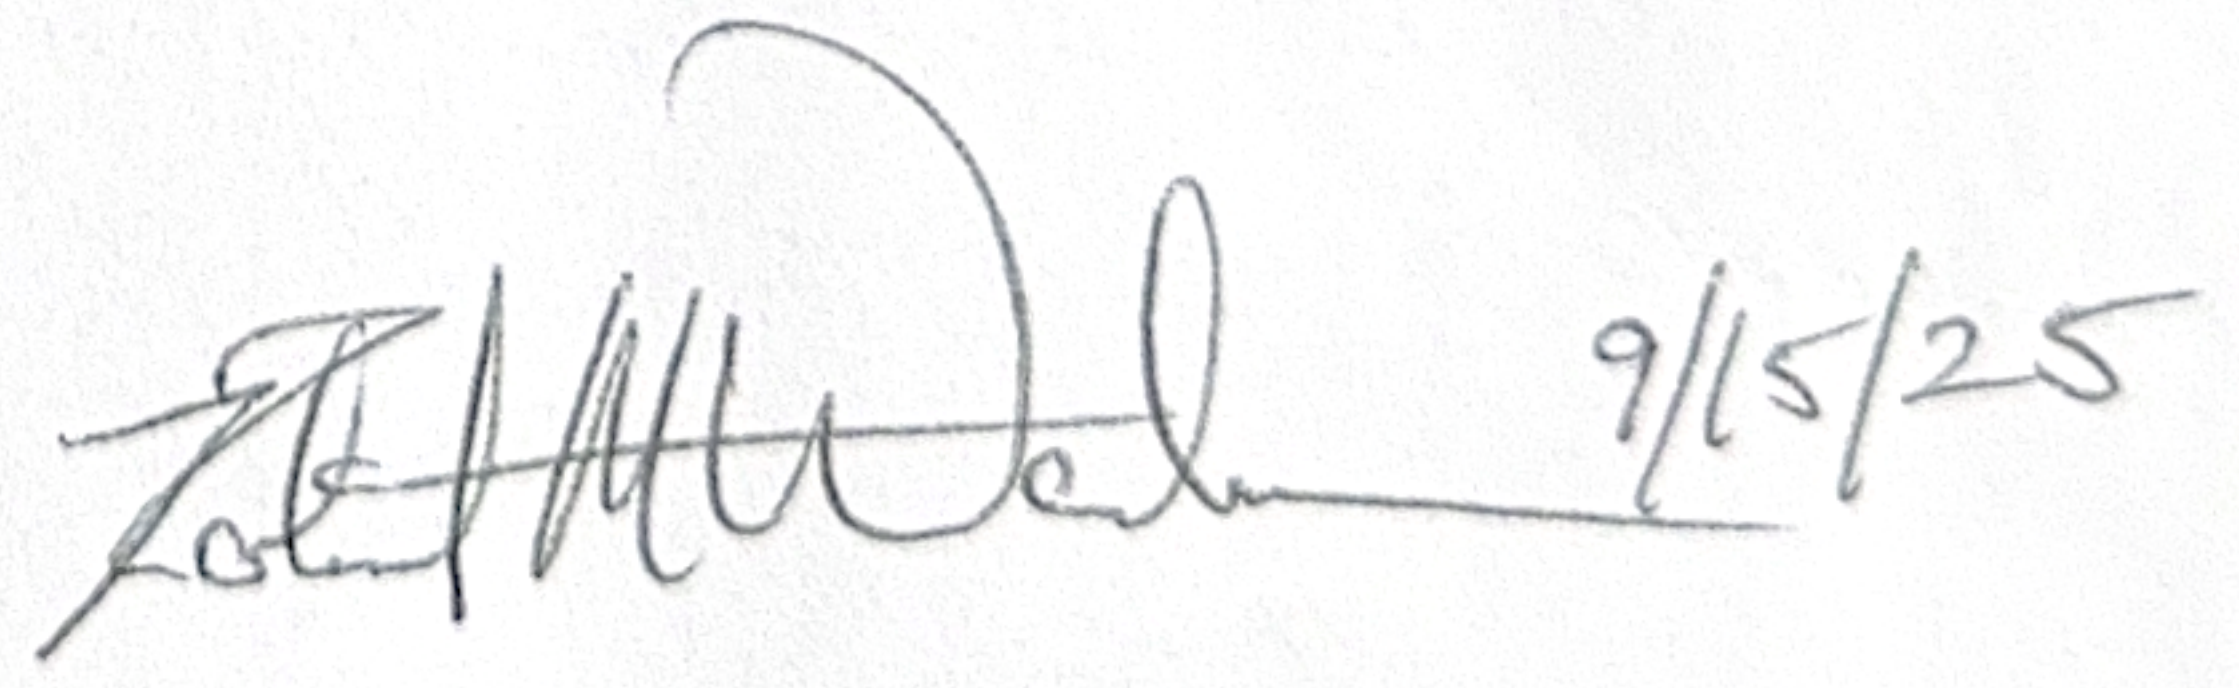

I have served on most of the committees, as the chairman or member, at the Unit, District and Department levels. I have been a member of the Department Executive Committee since 2006 as an elected member or past president. I have also served as a Unit, District and Department president. On the National level, I have had the privilege of representing Kansas as the National Executive Committee Women during 2010 -2011, 2022 to current. This would be my last term as NEC. I currently serve as president of Mary L. Bair Unit# 44, Holton, District 1 elected PP, Department parliamentarian. As your Department NEC, I am a member of the minute's approval committee.

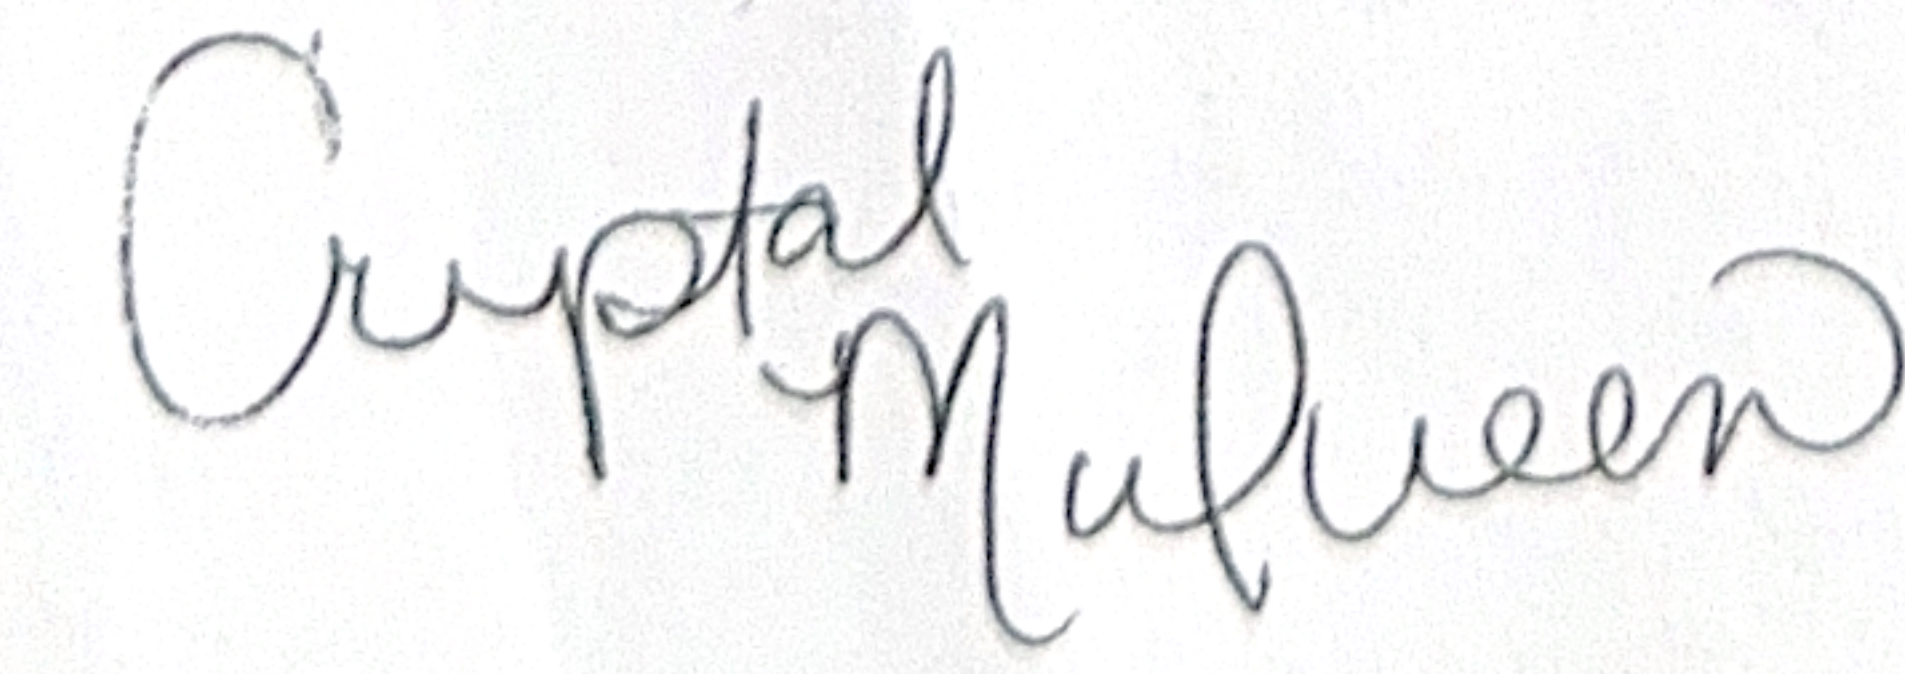

I have the support of my family, and my local American Legion Family, Post and Unit #44.

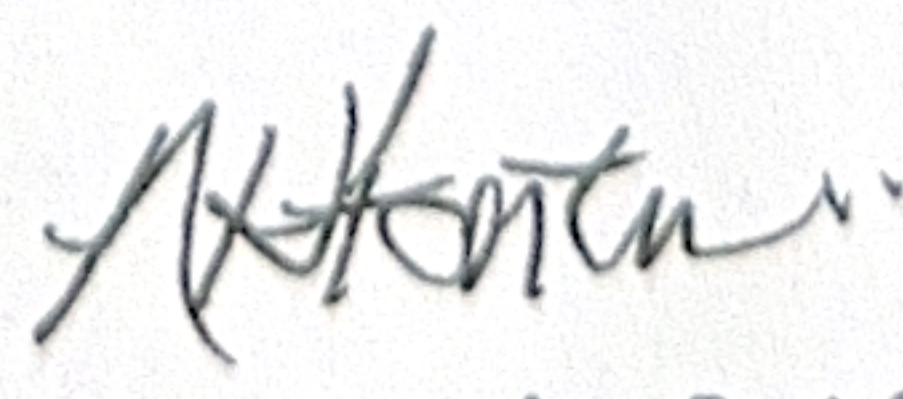

I look forward to being able to continue representing the Department of Kansas on a National Level.

Sharon Spiker

Michelle Meddock, Unit 44 Vice President

 9/15/25
Robert Wareham, Post 44 Commander

Crystal McQueen, Unit 44 Secretary

Nancy Fontaine, Post 44 Adjutant
