

HAPPY NEW YEAR to everyone. May it be a year filled with only the best for you. For those who are struggling we pray you find someone to share your journey with.

The attached newsletter is from National & shares information on the National level of the Scholarships that are available. There are 2 specifically geared to our Junior Members

They are the **Spirit of Youth & the Member Loyalty Scholarships**. The **qualifications for both are listed along with the Essay questions**.

Every Department is entitled to have at least one Junior member receive the Spirit of Youth Scholarship.

Central Division offers 2 \$2,500.00 Scholarships. I believe Kansas should have no trouble finding a candidate for this.

Deadline for National Scholarships is March 1, 2026

The Department of Kansas has its own Scholarships as well. We offer 8-2yr scholarships of \$250.00/year making them \$500.00 for the 2 years.

Information for these are available from the Kansas Auxiliary website under Program Forms and click on the ones under Education & Scholarship. these are due to the Education Committee by April 20, 2026

Please share with the units in your respective Districts.

Kansas has around 400 High Schools so the fields are full of potential candidates. We just need to spread the word.

Don't forget about your local scholarships too.

In the reports we will be receiving next month from Units and Districts anything you do from now on goes to your 2026 report you will turn in in February 2027. I will receive your report from January 2025-December 2025.

Thank you for your continued support of the American Legion Auxiliary
