

The National Security Chair, Norma reached out to me asking if Kansas would like to adopt an Army Company that reached out to National asking for some love from home.

Of course, I said yes, that is who we are and what we do, why not. There are 120 service members of this company who could use some cheering up.

I have created an amazon list of items that they mentioned here: <https://a.co/3OYj32B>

Shipping can be expensive and we will need help to pull that off as well: you can send checks to me or utilize Venmo @tracy-kinnick be sure to put what the money is for, shopping or shipping. If you want to go shopping yourself you can and ship to me to package and send with the other items.

I am also looking for cards each month to be sent.

**Please forward this to all your units and lets work together to show these troops some love.** If you have any questions you can reach me at [316-655-5122](tel:316-655-5122) my mailing address is:

Tracy Kinnick  
1614 Timberline Drive  
Rose Hill, KS 67133

Looking forward to seeing the love from Kansas to our troops overseas.
