

# CAPITOLS COMPETING FOR CAPITAL (C3)

C3 is an intensive program designed for policy makers on the latest technologies and policies in telecom infrastructure.

Learn the latest in 5G applications and infrastructure barriers

Position your area to be competitive for telecom infrastructure investments

## Program Details

This is a small, hands-on, intensive program for 20-25 state legislators to understand where the industry is going, and what policy impediments will affect infrastructure investments.

|                          |     |
|--------------------------|-----|
| <b>2019 Dates</b>        | TBD |
| <b>Locations</b>         | TBD |
