

Planning Your Gift to WCUC

How can you support our shared ministry?

- **Make a Monthly Commitment:** Monthly gifts support the church's financial stability and can be made at any level. If it's convenient for you, you can set this up as a recurring gift through your bank.
- **Give by Percentage:** On average, Americans give 2% of their income to charity. Giving even 1% more of our annual income would be transformative for this congregation and other organizations doing good.
- **Be Inspired by the giving of others:** We have a variety of incomes and commitment levels within our church. Together we make amazing things happen!
