

Planning Your Gift

This year it may be more challenging than usual to decide what to share with WCUC and others. Please consider taking the enclosed giving envelope and putting it somewhere prominent in your home for a few days. Whenever you see it, ask God to help you discern your pledge or gift for 2021. Consider praying this prayer:

Great One, of you the floods clap, for you the hills sing. You know my situation better than anyone. Take my credits and debits, ins and outs, surpluses and lacks, and show me how to use them to join the great chorus of Creation. Amen.

Want some more specific guidance? Consider this:

- The Bible invites us to **calculate our giving as a percentage of our income** (traditionally 10%, consider making that a long-term goal if it seems impossibly far off from your current practices!).
