## 5th Grade Student Report

Hi, I'm Gia Favia and I'm in fifth grade. I play basketball on the seventh grade team. Our team is a mixed team so we're fifth through eighth grade. Mr. Rick is our coach and Mr. Tunney is the assistant coach. So far we have only won one game, but each time we improve. The team practices in the gym twice a week, and usually has one to two games a week. We have nine amazing players on our team who all work together to get better. I've learned so much from this season, and so have my teammates. I am so grateful that we were able to have a basketball team, because some schools aren't lucky enough. And that's why this team is so important to us.
