

Fall Session

This **EXCITING** after school program for grades 2-3 provides the opportunity for kids to learn great skills while having fun building with LEGO® brand bricks.

All the LEGO supplies and materials for the kids to imagine, create, and build will be provided. They will learn building strategies and hands-on planning as a group. This is followed by breakouts where the kids are challenged with a task with specific parameters based on a themed project to build each week. Upon completion, groups will deliver the final presentation of their structure.

The club includes 5 classes which will meet on **Tuesdays OR Thursdays after school from 2:50-3:50 in Room 20**. You may NOT sign up for both days as the same projects will be repeated. Your child will be either a "Tuesday" OR "Thursday" Lego Club member. This is done to allow more students to join. The cost is \$75 per student.

The dates of the classes will be:

Tuesday Classes: 9/16, 9/23, 9/30, 10/7 and 10/14

Thursday Classes: 9/18, 9/25, 10/2, 10/9 and 10/16

If your child is interested, please complete the form below and return it to school with payment in an envelope marked "**Mrs. Willing 3-20: Lego Club**". **Forms and money will be accepted until Wednesday, September 10th (or until the classes are filled)**. Please make any checks payable to 'St. Emily School'. Students will be picked up outside the back west wing doors (same doors as the end of day dismissal) or will return to extended care. (Do not sign up for extended care during the class times as refunds will not be given. If extended care is needed, the start time would be 3:50.)

Registration is limited and will be accepted on a first come basis; confirmation of registration will be sent via email.

Fall Session

I give my child _____ permission to attend
Lego Club on

_____ Tuesday OR _____ Thursday after school from 2:50-3:50 PM.

Parent Name (please print) _____

Parent Signature _____

Parent Email _____
