*****ONLINE OPTION AGAIN THIS YEAR*****

Dear Parents,

We are excited to streamline the donation and donor outreach process for our fundraiser by using 99Pledges again this year. Last year, we raised a record amount and hope that by offering this online option we may be just as successful again. You and your student(s) will be able to reach out to friends and family electronically by email/text/Facebook/Twitter, instead of going door-to-door, tracking commitments, and handling cash/checks. Additionally, donors can make a contribution to support your participant with a simple and secure online transaction.

*If you do not wish to participate in 99pledges, please let us know by March 21 by completing and returning this form to the school office. **If you do not opt out by 3/21, your child(ren) will be populated to the 99pledges platform.** Paper pledge forms will still be provided to all students for those who wish to pledge per lap or those who wish to give using cash or check.*

_____ I wish to **OPT OUT** of 99Pledges for the upcoming Track-a-Thon event and will instead use paper format to collect pledges.
