

As the number of people in need is growing, the **National Junior Honor Society** is partnering with Saint **Emily's Women's Club** to make blessing bags.

Blessing Bags

March 3rd-21st

Blessing bags are gallon-sized Ziploc bags that are filled with individually and/or travel sized basic toiletries and snacks. These bags will be given to various agencies to assist those in need.

We are asking for your full participation. We ask that each homeroom bring in certain items, but any donations listed will be accepted.
