

Birthday Certificates 2016-17

The Schoolhouse Café offers families the option to purchase gift certificates to help celebrate special occasions and birthdays. Gift certificates are available for purchase at 90¢ each to be used at the Extras Table. They can be used for ANY item on the table. We offer you a small discount for “buying in bulk” as most of the items sold are \$1.00

By purchasing the Birthday Certificates, you allow each student to pick out their own treat. This helps to avoid any allergy issues and helps guarantee that each child receives a treat that they truly enjoy. The students really like the certificate system.

We MUST know the day that you intend to use them so that we may plan our bakery needs accordingly, avoid conflict with special days in the café and so that we avoid having more than one certificate used per classroom on any given day. Please send your order in at least 1 week in advance of the birthday and we will return the certificates home to you so that you may fill them out. Please do not send forms in more than 2 months in advance.

We ask that you send the certificates in with your child on the day they will be used. The homeroom teacher or monitors will help to distribute the certificates before lunch.
