2022 - 2023 Student Conferences

Each year, Resource Training & Solutions coordinates three student conferences to engage, equip, and empower students beyond the classroom. We invite and encourage each member district in our region to participate in these very special events.

Project EARTH

Project Earth is a hands-on science and nature conference for 6th - 8th graders which brings environmental learning and issues to the forefront of students' minds.

Date: October 11th, 2022

Location: St. John's University

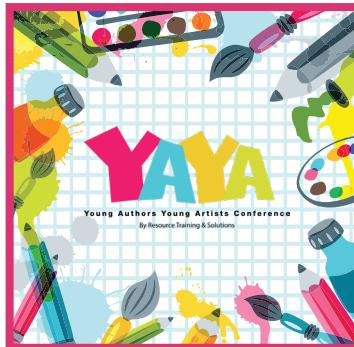

Spark STEM Conference

Spark is designed to introduce 5th and 6th grade students to a variety of STEM opportunities through expert presentations and hands-on learning experiences.

Date: January 5th & 6th, 2023

Location: St. Cloud State University

Young Authors Young Artists (YAYA)

YAYA is designed to introduce third through sixth grade students to a variety of artistic activities to enhance and stimulate creativity.

Date: May 17th, 18th & 19th, 2023
