

We know that graduation is on the minds of seniors and their families at this time of year, especially after all the hardships our students have faced throughout this pandemic. It's on our minds, too!

If [Deschutes County's COVID-19 risk levels](#) are Low, Moderate or High, Bend Senior, La Pine, Mountain View, and Summit high schools will celebrate outside in their school stadiums, while Realms and Skyline high schools will celebrate outdoors at off-site locations. If county metrics are in Extreme, all schools will celebrate with individual graduate 'diploma walks', inside, as schools did last year. Bend Tech Academy at Marshall High School is planning for a diploma walk on campus, regardless of county metric level.

Each graduate will receive four tickets to their ceremony if County metrics are in Low or Moderate and three tickets if we are in High. Graduates will be limited to five guests for diploma walks.

County risk levels run on a two-week cycle. An announcement will be made during the week of May 17, after review of that week's risk level, with final graduation plans (indoor or outdoor).

Having a more traditional, outdoor graduation event hinges entirely on the health of our community. Deschutes County is currently in High Risk. Please join us in working hard to control the spread of COVID-19 and keep cases of COVID-19 at bay; wear a mask that fits well with no gaps, distance yourself from others, avoid crowds and poorly ventilated spaces, and get a vaccine when it's available to you.

More information will be made available to students and families directly from the school as graduation approaches. Thank you in advance for your support and cooperation!

Congratulations to the Class on 2021! We look forward to celebrating you and all you have accomplished!
