

YOUR PERFECT PUMP PARTNER...

Keeping industrial operations running efficiently requires reliable pumping systems as well as expert support when it matters most.

At Cougar Pumps, we specialise in delivering complete industrial pump solutions, including:

- ✓ Planned Preventative Maintenance (PPM)
- ✓ Pump Repair Services
- ✓ On-site Servicing & Diagnostics
- ✓ Professional Pump Installation

Our experienced engineers work across a wide range of industrial sectors, ensuring pumps operate at peak performance while minimising downtime and costly breakdowns.

Whether it's routine maintenance, emergency repairs, or a full system installation, Cougar Pumps provides dependable, responsive, and high-quality service tailored to your operational needs.

Why choose Cougar Pumps?

-  Experienced pump specialists
-  Fast response times
-  Industrial and commercial expertise
-  Focus on efficiency, reliability, and long-term performance

Protect your equipment. Reduce downtime. Improve reliability.

Contact Cougar Pumps today to discuss your industrial pump servicing requirements.
