

# All hands on deck...

If you are responsible for either shipboard or dockside pumping equipment, then this message is for you!

## WE CAN HELP YOU WITH

- Bunkering oils
- On-board fresh water
- Reverse osmosis
- Waste water disposal
- Bilge pumps

Wherever you and your ships are in the world, we can supply your parts or pumps, anywhere and, on time!

Even if you don't have a ship, we would still love to hear from you.
