

Grill Phil

“Phil, are you having any delivery problems currently?”

Simple answer is yes!

Although it does vary from product to product.

Certain items that were normally 2-4 weeks for delivery are out as far as 18 weeks, so it really can be a problem.

However, as you know we are always trying to look after you and there are two suggestions that might help.

- The first is to plan ahead wherever possible and allow extra time in any schedule for a new project.
- The second is let us repair it for you. Where you have plant that is broken, we can normally repair to as good as new in short order.

Whatever your situation, call us first and we will come up with the optimum answer.
