PLEASE GET YOUR ORDERS IN EARLY 🎄 🎄 🎄

A reminder that we close for the Christmas break at Midday on Christmas Eve, and re-open on the 2nd January 2026.

If you need to place an order before Christmas, please do so as soon as possible as the majority of factories in Europe will have a 10-day shutdown during the festive season.

🔧 If you require an emergency call-out between Christmas and The New Year, please call our emergency line on 01442 860009.
